YOUR ADVENTURE AWAITS

ANTIGUA AND BARBUDA

With 365 beaches one for every day of the year, there are definitely lots of water-based activities for water-lovers to engage in while in Antigua, whether it's swimming with stingrays for the adventurous, a romantic sunset catamaran, a jet-ski adventure or a day spent exploring Barbuda or an off-shore island.

For the land-lubbers, historic walking tours through St. John's City and the UNESCO World Heritage Site in English Harbor and off-road island safaris are a fascinating experience. A horse-back ride, or a zip through the rainforest are just some of the other ways to discover the destination.
